## One-on-One Leadership Coaching

**Our Leadership Coaching sessions may be the most honest and revealing conversations of your life. They are designed to support you in expanding your awareness of possibility from the restrictions of the reasonable to limitless vistas of the unreasonable. As a result of our sessions together you will see and make clear choices that support you into a new way of being as a leader. Outcomes of our coaching sessions will support you in all areas of your life: corporate, personal, spiritual.**

### YOU WILL MOST BENEFIT WHEN

- You are not achieving your key objectives as effectively or as quickly as you think you could be
- You are uncertain as to the best direction for your life, your career, or your department/company
- You are less than excited about your work when you wake up in the morning
- You think there's more to life and you're just not sure what it is—or you think you know what it is and you're not sure how to get there

### WHAT YOU CAN EXPECT FROM US

- Strategic direction
- Professional results and metrics to gauge progress
- Tools that motivate you long term
- Support with course corrections
- Holding you accountable
