Strategic Leadership Program

We deliver a powerful two-day strategy building session that creates alignment for teams and departments regarding objectives, strategies and next steps. Each team member walks away with a “Key Result Area” document that will make their objectives clear from the ultimate vision to the very next step on Monday morning.

YOU WILL MOST BENEFIT WHEN

- Your people are not clear on the vision
- Your people are spending time on non-priority objectives or objectives that are not measured
- Projects are over cost and beyond deadline
- Lack of execution is an issue
- There is low self esteem due to poor performance.
- Nobody is having any fun producing a result

WHAT YOU CAN EXPECT FROM US

- Direction and support for role clarification
- Clearly stated objectives
- Practical techniques for creating team alignment
- Guidance to mission clarity and ownership
- Steps for establishing a unique position in the market

TYPICAL RESULTS ACHIEVED

- Greater clarity of purpose,
- More ownership of tasks & responsibilities,
- Increasingly honest communications among key players
- More star-quality leadership performance
- Greater vision of the big picture
- Crystal clarity on Key Results Areas
- Enlightened understanding and enthusiastic motivation for next steps
- Powerful tools for honest communications among leaders and team members

Follow-up coaching sessions to sustain accountable actions are recommended and build exponentially upon the transformational results of the group session.
